A Petition for Probate
has been filed by: Gregory
J. Jackson in the Superior
Court of California, County
of San Diego The Petition for Probate

requests that Gregory J. Jackson be appointed as personal representative to administer the estate of the decedent.

The petition requests the decedent's will and codicils, if any, be admitted to probate. The will and any codicils are available for examination in the file kept by the court

The petition requests authority to administer the estate under the Indeestate under the independent Administration of Estates Act. (This authority will allow the personal representative to take many actions without obtaining the control of th taining court approval. Be-fore taking certain very im-portant actions, however, the personal representative will be required to give notice to interested persons unless they have waived notice or consented to the proposed action.) The independent administration authority will be granted unless an interested person files an objection to the petition and shows good case why the court should not grant

the authority.
The petition requests the decedent's will and codicils, if any, be admitted to probate. The will and any codicils are available for examination in the file kept by the court.

A hearing on the peti-tion will be held in this court as follows: 6/22/2016

8:30 A.M. Dept. 5 Room 236 111 N. Hill St.

Los Angeles 90012
If you object to the granting of the petition, you should appear at the hear-ing and state your objec-tions or file written objections with the court before the hearing. Your appear-ance may be in person or by your attorney.

If you are a creditor or a

contingent creditor of the deceased you must file your claim with the court and mail a copy to the personal representative appointed by the court within four months from the date of first issuance of letters as provided in Probate Code section 9100 The time for filing claims will not expire before four months from the hearing

months from the hearing date noticed above. You may examine the file kept by the court. If you are a person interested in the estate, you may file with the court a Request for Special Notice (form DE-154) of the filing of an inventory and appraisal of estate assets or of any pe-tition or account as provided in Probate Code section 1250. The Petition for Probate

The independent administration authority will be granted unless an interested person files an objection to the petition and shows good case why the court should not grant the authority.

The petition requests the decedent's will and codicils, if any, be admitted to probate. The will and any codicils are available for examination in the file kept

by the court.

A hearing on the petition will be held in this

## court as follows: 6/9/2016 1:30 P.M. Dept. PC-2 1409 Fourth Ave. San Diego, CA 92101

If you object to the granting of the petition, you should appear at the hearing and state your objections or file written objections with the court before the hearing. Your appearance may be in person or by your attorney. If you are a creditor or a contingent creditor of the

contingent creditor of the deceased you must file your claim with the court and mail a copy to the personal representative appointed by the court within four months from the date of first issuance of letters as provided in Probate Code section 9100.
