Esoteric Astrology as news for week August 16 – 22, 2017
 Total Solar Eclipse in a Mercury Retrograde!

There is much talk about the upcoming eclipse Monday, August 21st. This is a rare second Leo new moon reflecting an eclipse 19 years ago. What happened then? Solar eclipses inform humanity something essential has come to an end. Making room for something newer and more vital to manifest. In a total solar eclipse, the moon (matter) is blocking the essential light of the Sun. Therefore, "as above in the heavens, so below on Earth", something essential within our lives becomes hidden and then it simply falls away.

It is good to ask ourselves (in our personal lives, towns, cities, communities with friends & family) what is changing, disappearing and falling away? As we assess this phenomenon, and adapt to it, we also acknowledge our gratitude.

Monday's new moon/solar eclipse occurs at (28.53) 29 degrees Leo - a crucial ending degree. Truly something has completed itself, its work complete. To apply this practically, for those with astrology charts, we locate 29 degrees Leo in our charts. This is the area of life where something ends. And matters, quietly existing in shadows, appear! Eclipses show us where we will expand and grow.

Along with this new moon eclipse, Sun is trine (harmony) Uranus (change). Sun illuminates Uranus (in Aries) "brings forth all things new". Quickly!
 The trine says, "Everything is in harmony." Sun/Uranus supports the eclipse changes.

The shadow of the eclipse streams across the U.S. It is the first eclipse in 99 years across the continental U.S. Leo is the Light of the Soul. This eclipse, with Regulus (the Law Giver), calls forth the Soul of the United States, summoning our country to stand with courage, leadership assuming its spiritual task - to "stand in the Light & lead humanity within & towards the Light." Lighting the Way for all of humanity. (read more at www.nightlightnews.org/)

ARIES: You need enjoyment and playfulness as this eclipse Mercury retrograde time affects your life of pleasure, creativity, spontaneity, the arts, children and, above all, having parties. The last you must do! It's important to feel joyful. You also need an adventure that's not too risky. Questions. What/who is your muse? What is your creativity? What do you enjoy? And remember to share, always, from the heart.

TAURUS: It's time to create the type of home you hope for, envision and actually need. The old ways and means at home are no longer working. Perhaps there's need for greater security, comfort or beauty. Perhaps a new couch or uncovering buried treasure. Perhaps family relationships need emotional support, more loving kindness. Notice a gathering of past life gifts. To be used in this lifetime to

serve humanity.
 GEMINI: Have you considered what your communication needs are, your intellectual needs, even the needs you have about your neighborhood? What are you learning these days, how do you see our country? New ways of thinking may be needed. You are responsible for instructing humanity about the world at large. What do you know about the world? Are you offering information that displays tolerance and loving kindness?

CANCER: It's important during this eclipse & mercury retrograde time to review what your values are and what you are confident about. It is a time to assess finances, spirituality, religion, children, communication, security and things psychological. It's important too, to be generous in all ways. Giving allows us to have a sense of pride that we have helped others. Tithing and giving. All that is given is returned ten-fold.

LEO: Leo is always about the self, the "I am", and see what I have created! Now a deeper level of the self is germinating, about to be revealed. A richer sense of self-recognition, self-esteem and a realization that one truly has strength and courage. Self-knowledge, self-confidence, creative self-expression, too. All of these are coming forth. You are to know yourself as essentially perfect. A new

being emerging in the world. Independent and free.
 VIRGO: Changes within will be recognized and seen later in the year. A deep psychological development is taking place. A spiritual impact can be felt when in nature, deep in forests, on walks, in warm waters, during early mornings and at sunset. Something secret reveals itself and one's deepest desires come forth. Expect revelations, dreams and voices in the wind. Offering direction.

LIBRA: You consider what future goals are yet to be achieved. Hopes, wishes and dreams come into focus and they include friends, intimates, and social groups who recognize your inner beauty and authenticity. You feel a great love given by others washing away any perceived wounds from early childhood. Life feels you and becomes your playground.

SCORPIO: Career, public image, vocation, ambition - all are highlighted at the eclipse retrograde time. You attempt to bring the Soul into your professional life. Because you need work that is meaningful, having a special place in the world. The eclipse touches and illuminates your essence. You begin to express yourself differently. Unmasked, this is the person you truly are. Don't fret. You're still protected.
 SAGITTARIUS: There's a leap forward in

learning, an expansion beyond what you've known before. Beliefs are changing as new information, like revelations, appear in your mind. Everything becomes a surprise when you step outside of the known. Your mind is shaken up, your perceptions shift. A new world appears. It will take three months to be integrated. You will travel.

CAPRICORN: Things, people, you - all seem to be in a state of transformation. Intimacy becomes important in daily life in order to reconnect. Looking at people you're able to understand their deep hidden psychological levels. You speak words that create in them safety, security and calmness in their world. Little deaths occur. Not physical, but little endings of things. You understand and are grateful.

AQUARIUS: You think about marriage, partnerships, friendships. You attempt to express yourself in a new way in the world in order to reconcile differences and allow for understanding to occur. You empower others to feel good about themselves. They in turn love you more. Refrain from projecting any shadows upon others. Allow everyone to be free.

PISCES: Tending to health is most important. Perhaps a warm pool of water somewhere. Call it forth, mention it daily. Visualize it. Soon it will gradually appear. One must keep body, emotions, mind and Soul in complete alignment, poised, quiet and calm. This physical, spiritual and psychological order will allow Pisces to meet the many continuing demands on their time. The world needs saving. Pisces is the savior.

NOTICE TO POTENTIAL BIDDERS: If you are considering bidding on this property lien, you should understand that there are risks involved in bidding at a trustee auction. You will be bidding on a lien, not on the property itself. Placing the highest bid at a trustee auction does not automatically entitle you to free and clear ownership of the property. You should also be aware that the lien being auctioned off may be a junior lien. If you are the highest bidder at the auction, you are or may be responsible for paying off all liens senior to the lien being auctioned off, before you can receive clear title to the property. You are encouraged to investigate the existence, priority, and size of outstanding liens that may exist on this property by contacting the county recorder's office or a title insurance company, either of which may charge you a fee for this information. If you consult either of these resources, you should be aware that the same lender may hold more than one mortgage or deed of trust on the property. NOTICE TO PROPERTY OWNER: The sale date shown on this notice of sale may be postponed one or more times by the mortgagee, beneficiary, trustee, or a court, pursuant to Section 2924g of the California Civil Code. The law requires that information about trustee sale postponements be made available to you and to the public, as a courtesy to those not present at the sale. If you wish to learn whether your sale date has been postponed, and, if applicable, the rescheduled time and date for the sale of this property, you may visit the website below using the file number assigned to this case. Information about postponements that are very short in duration or that occur close in time to the scheduled sale may not immediately be reflected on the Internet Web site.
