Esoteric Astrology as news for week Oct. 11 – 17, 2017

Autumn’s Circadian Rhythms

I have mentioned often in my columns, website and FB about circadian rhythms. These are the rhythms of light and dark, Sun and moon, the seasonal rhythms, new and full moon rhythms, etc. Last week three scientists were awarded the Nobel Prize in medicine for their work on circadian biology, the field of science dedicated to the 24-hour internal clock on which our bodies run. This 24-hour cycle determines and controls everything in our lives, internally & externally. It’s about biological rhythms, synchronized to Earth’s revolutions around the Sun and light from the heavens – from Sun, moon & stars. Read more: <https://qz.com/1092753/circadian-rhythm-this-years-nobel-prize-winners-are-changing-everything-we-know-about-medicine-and-biology/>

Following each season’s rhythms is part of circadian rhythm, foundation for year round health. Each season calls for different types of food for our body’s balance & well-being. Foods for the Autumn season, under the Ayurvedic dosha (energy) of Vata (air, wind, sky, clouds) are to be substantial and nourishing, high in protein and ghee (clarified butter), hot (not cool) foods made with stimulating spices. These keep our inner organs moist (Vata is air) and our minds and emotions anchored in the practical. We reduce summery cool, cold, raw foods.

Autumn (Vata) calls us to begin consistent daily rhythms and routines, following the changes in Light (circadian rhythms). To have

silence, stillness and peace in the early hours of the day. Using specific fragrances - vetiver, geranium, and citrus essential oils. We wear autumn colors of red, golden yellow, orange. Asleep by 10pm we rise at dawn, listen to bird calls while standing in the rising morning light of the Sun.

ARIES: The season has changed and so must our health regimes, our diets, the ways we exercise and how we plan our day. As Autumn begins it’s good to think along new lines, preparing for the coming changes in light, color, sun, shadows. All of these are reflected in our fall and winter festivals. The seasonal changes are reflected within ourselves, too. Relationships need extra tending so everyone doesn’t feel isolated, cold, alone, withdrawn and left out.

TAURUS: It’s good to be out and about, learning new things, attending lectures, classes, gathering information. Or, perhaps creating and teaching a class yourself. Always in your life your task has been to illumine the minds of humanity, a serious and disciplined task. It would be good to consider what would be playful, bring enjoyment, fun and a calling forth your lightness and spontaneity? Perhaps you need to swim in a warm natural pool.

GEMINI: What constitutes family to you, whether biological, friend, group (esoteric?), colleagues, etc.? Family matters more and

more even if you tend to reject that thought. Something’s not complete with someone. What would that be? With whom? Listening to others until you understand the essential message is an important Gemini goal. All of this brings love forth – your spiritual task.

CANCER: Make contact. These two words have a depth most don’t understand. Making contact releases Love. But it must be true, authentic and intentional contact. It must be from the heart, connecting heart to heart, Soul-to-Soul. The results are that Love being released creates liberation for everyone. You are the one to begin this process. Do this ceaselessly, quietly, with heartfelt intention of contact with all kingdoms.

LEO: There’s a sense that you must create a new plan concerning finances and resources. When this is accomplished, a new state of values will come forth. You may want to communicate more deeply with those close to you, sharing with them your values, asking what values they hold. Seek to know the values held in common. The questions about values have to do with what your desires & aspirations are for the future. Do you know?

VIRGO: You will want to come out of the shadows and into a greater light. Standing in shadows, perhaps in the shadow of another is comfortable for you. However, there comes

a time when we each must define ourselves, become a sovereign individual, recognize our own self-identity, understand what we initiate, realize that we’re responsible, summon our confidence, and seek a new support system. Am I speaking to Virgo or Pisces? Both. For each is the shadow of the other.

LIBRA: As I prepared the garden for autumn I gathered together a sheaf of wheat. The Virgo symbol of nourishment for humanity. I thought of Libra, and what nourishes them - relationships, beauty, friends, equilibrium, balance, love, sacrifice, art. It’s the art of the wheat sheaf that caught my eye and I thought Librans must get back to their art in whatever form interests them. Some paint, some have galleries, some are collectors. What is your art form? It’s calling you.

SCORPIO: Do you sense with restlessness that there’s a group that belongs to you, and yet somehow you can’t find it? As you search for those like-minded who belong to you, assess what gifts you would offer them, and in turn, to the world. Your gifts and talents continue to develop. Summon patience. Speak with love to those close to you. Ask for their visions and goals. Synthesize everyone’s.

SAGITTARIUS: Saturn has been in Sag for several years now. He has called for a perfect execution of your work. With Saturn’s direc-

tion, new structures and new dimensions have been given, resulting in new thoughts flowing through your mind. You’re being impressed with ideas that become ideals for humanity. Share your ideas with others who will assist you. Diplomacy is paramount.

CAPRICORN: What will you do this autumn? How will you reflect the autumn season in your home? Is the world calling to you with new ideas, new creativity? You are being prepared within for something new to emerge in the near future. Perhaps it’s a course of study, something you want (or need) to learn, somewhere to visit, travel to, discover? Is there something you want to say to someone far away? Many things professional come your way.

AQUARIUS: Take extra care with and tend carefully to your money, valuables and resources. Create a place of safety for your money. Know what is coming in and going out. Use this time to discover what is needed and what is not. Give away what is not and then give more away. Giving provides you with meaning, a true sense of service and a liberation that allows you to move forward in your life. Will you be travelling?

PISCES: We are to do our best in every place we find ourselves in. Many of us are indecisive these days, sitting on the fence (uncomfortable), unable to decide where we’re going, what to do when we don’t know what to do, how to provide our gifts when opportunities don’t seem to exist. Again, we (especially Pisces at this time) are to work at our best wherever we find ourselves. Relationships need compromise, patience and acceptance. Adaptation liberates us.

Major, Jr. **A Petition for Probate** has been filed by: Peter James Major in the Superior or Court of California, County of San Diego. CITY OF CHULA VISTA NOTICE OF PUBLIC HEARING BY THE PLANNING COMMISSION OF THE CITY OF CHULA VISTA, CALIFORNIA

GENERAL PLAN AND BAYFRONT LOCAL COASTAL PROGRAM AMENDMENT

NOTICE IS HEREBY GIVEN THAT A PUBLIC HEARING WILL BE HELD BY THE PLANNING COMMISSION of the City of Chula Vista, CA, in the Council Chambers, Building A, Chula Vista Civic Center, 276 Fourth Avenue, Chula Vista, CA 91910 for the purpose of considering the following actions summarized as follows:

HEARING DATE/TIME: October 25, 2017 at 6:00 p.m.

CASE NUMBERS: MPA15-0014/PCZ15-0001/PER15-0007

APPLICANT: City of Chula Vista Property, LLC

SITE LOCATION: 789 E Street (west of Interstate 5)

PROJECT DESCRIPTION: The property that is the subject of the proposed amendment is located at 789 E Street, north of E Street, west of Interstate 5 and east of the SDG&E Right of Way ("Site"). The Site consists of two lots with an approximate area of 4.81 acres and is located in the Bayfront Sweetwater District. The Site currently has a General Plan land use designation of Professional & Office and a Local Coastal Program (Land Use Plan and Specific Plan) land use and zoning designation of Commercial - Professional and Administrative (CP). The proposed amendment (Project) would change the General Plan and Bayfront Local Coastal Program designation (zoning) to Commercial Visitor ("Amendment"). The Amendment, however, would be unique and customized to this Site in that it would only allow hotels along with the typical uses that are ancillary to hotels such as limited retail and restaurant. All other land use regulations for the Site such as height, setbacks, parking, and floor area ratio, would remain unchanged. The proposed land use and zone change does not involve approvals of any building or site design drawings. Actual building and site plan approvals would be subject to separate future application/approval and Project specific environmental review pursuant to CEQA.

ENVIRONMENTAL STATUS: The Development Services Director has reviewed the proposed project for compliance with the California Environmental Quality Act (CEQA) and has determined that the project was covered in previously adopted Environmental Impact Report UPD#83356-EIR-65B/SCH#2005081077.
