ESOTERIC ASTROLOGY AS NEWS FOR WEEK
JUNE 20 – 26, 2018

SUMMER'S SIGNS- CANCER, LEO & VIRGO

So much is happening this week. Sun enters Cancer and summer begins. Next Tuesday, Mars retrogrades in Aquarius and Wednesday is the full moon, the Cancer solar festival. And so, spring gave way to summer, finally, here in the northern latitudes. The Sun, when reaching the Tropic of Cancer, tells us summer's here. Beginning at summer solstice, and for 72 hours, the Sun remains still in its northern position at the Tropic of Cancer. After three days the pole of the Earth slowly begins to tilt in the opposite direction, sunlight begins to decrease, the days grow shorter, the nights longer. An imperceptible change (of light) overtakes the architecture and atmosphere of our Earth at the solstices.

Summer here (in the northern hemisphere). The life force, a rush in springtime, and creating tall leggy green growth in the plant kingdom, settles down in summer into an unhurried, lazy, dreamy subdued heat. The human kingdom, expressing heavenly energies, seeks, instead of long overheated laborious work, more mellow activities - leisure, rest, relaxation, vacations. Summer, we hope, will be easy, sunny and fun. If we watch carefully, we notice the plants begin to grow differently as they prepare for harvest. Newborns in the animal kingdom become teenagers.

The astrological signs of summer are Cancer (Gate where Spirit enters matter), Leo (the Heart of Love is all that Matters) and Virgo (pregnant Ma-

donna preparing for birth at Winter Solstice). In the Catholic Church's liturgy, after Pentecost & Holy Trinity, we begin preparing for Advent (1st Sunday in December, preparing winter solstice). Under heaven's influences Earth's kingdoms are always in flux. The light of the stars, planets, suns and moon chart our daily rhythms. The wise ones knew this. We are to be the "wise ones" now. (read more on Summer, Mars retrograde & the Cancer Solar Festival on Risa's Esoteric Astrology FB page & under Daily Studies at www.nightlightnews.org/).

ARIES – Something new concerning family, property, real estate, home materializes in the coming year. You may buy or sell, invest in family property, move, form community, create a collective. It is good to look forward to various and different ways of living. Something about family develops, increases, expands. You find yourself at times staying closer to home after traveling here and there. Family becomes everything (again).

TAURUS: In the coming year, you must begin to travel, enter school, study, publish or begin a long adventure. Everything faraway is interesting, even destinations others would never contemplate. At times you'll consider lands different, unfamiliar and perhaps exotic. Bear in mind this needs deep reflection. The exotic is not always comfortable. A new expanded mind is occurring. Call forth new

thinking, rich with Aquarian archetypes.

GEMINI: Do you feel in conflict? There are so many avenues calling for your attention. First is the idea of remaining behind the scenes in solitude and retreat. Then there's the demand facing you concerning work. Then there are all the people seeking your advice, inviting you here and there to be part of their vision. I need to ask, what is your vision of success? Because success calls to you in many guises.

CANCER: It's time to reflect upon the past year in preparation for your new birthday year. Review all actions, choices made, things produced, brought to flower, people spoken with, promises made, dreams that did (or did not) come true. Consider what was happy then and what would be joyful in the coming year. Notice the different words – happy and joyful. A new year brings new endeavors. What would you like to happen?

LEO: New people, new confidence, new groups eventually beckon to you, extending invitations. Friendships blossom and you find yourself mingling and networking, interacting and sharing. Are you avoiding anyone? Step into their world, learn who they are, what they like and need. Hopes, wishes and dreams fill your mind and heart. Create a Hope, Wishes and Dreams journal. Don't lose it!

VIRGO: The area of life called relationships be-

comes full of opportunities, personal and worldly. Something deep and profound occurs with someone close. It's important to consider creating or expanding your professional work. Ask loved ones for help. They can be of great benefit if you are kind and grateful. Be focused, determined and analytical with finances.

LIBRA: The most realistic time in our lives is each moment. Most moments quietly slip by as we seek what we don't have, wonder when vicissitudes will end or when the rainbow will appear. However, should we be aware of each moment, they begin to feel like blessings. This conscious perception of time allows us to be more authentic, spontaneous and free. For the next year, careful with diet, eating only what vitalizes and touched by the Sun.

SCORPIO: The surprise is a new creative talent comes forth from within; a creativity greater than previously experienced. It will make you explore all areas of the arts. This builds a new sense of identity. Careful of illusion if entering a new love affair. You might find yourself with many tasks to perform this summer. Protect your hands and arms with gloves. Check the car, too. Plant a garden of herbs.

SAGITTARIUS: New ideas, thoughts and thinking accelerate, life moves into the fast lane, new

people enter your life, and you seek the world of art, music and culture. People notice you've become more optimistic. That dark night of the soul approach is exhausting. Certain situations at home seek detailed attention, tending and organizing. Give away everything not used in the past months. Someone else needs them.

CAPRICORN: Perhaps in the past you felt the need for more self-confidence. In the coming year, self-confidence, self-reliance, and the ability to know more of yourself and your abilities will emerge, expand, and fill you with self-assurance, poise, dignity and grace. Wherever you find yourself, that's where you're to be. Whatever you're called to do, act with the highest intentions. Then the world around you becomes a blessing.

AQUARIUS: New archetypes (patterns) concerning money and values appear for the rest of the year. Afterward, looking back on how you made, used and worked with money and what your values were, you see the changes made. It's most important to create strategic plans for budgeting, accounts, savings, tracking all finances in detail. Should you consider investing, land is a lasting and true resource.

PISCES: For a long time, you've adhered to one particular path, following those you love with heart-felt fervor. Love came first, always. A good ethic and value. Now, however, something's changing. Too much is uncomfortable. You seek to realize what makes you happy and joyful. You'll need courage to face the truth, courage to set yourself on the path (a journey) toward happiness. A mantram for you. "Let reality govern my every thought and truth be the master of my life."

ZONE VARIANCE FOR A REDUCED REAR YARD SETBACK FOR A PROPOSED SINGLE-FAMILY HOUSE TO BE LOCATED AT D AVENUE
CASE FILE NO.: 2017-17 Z
APN: 562-122-31**

The National City Planning Commission will hold a public hearing after the hour of 6:00 p.m. Monday, July 2, 2018, in the City Council Chambers, Civic Center, 1243 National City Boulevard, National City, California, on the proposed request. (Applicant: Jeffrey Silva)

The applicant proposes to construct a new 1,200 square-foot two-story single-family house and 500 square-foot garage on a vacant lot located in the RS-2 zone. The structure would be located within the required twenty-five-foot rear yard setback. The variance is to reduce the setback to fifteen feet due to an existing sewer easement on the site limiting possible development.

clear ownership of the property. You should also be aware that the lien being auctioned off may be a junior lien. If you are the highest bidder at the auction, you are or may be responsible for paying off all liens senior to the lien being auctioned off, before you can receive clear title to the property. You are encouraged to investigate the existence, priority, and size of outstanding liens that may exist on this property by contacting the county recorder's office or a title insurance company, either of which may charge you a fee for this information. If you consult either of these resources, you should be aware that the same lender may hold more than one mortgage or deed of trust on the property. NOTICE TO PROPERTY OWNER: The sale date shown on this notice of sale may be postponed one or more times by the mortgagee, beneficiary, trustee, or a court, pursuant to Section 2924g of the California Civil Code. The law requires that information about trustee sale postponements be made available to you and to the public, as a courtesy to those not present at the sale. If you wish to learn whether your sale date has been postponed, and, if applicable, the rescheduled time and date for the sale of this property, you may call (800) 758 - 8052 or visit this Internet Web site WWW.HOME-SEARCH.COM, using the file number assigned to this case 062900-CA. Information about postponements that are very short in duration or that occur close in time to the scheduled sale may not immediately be reflected in the telephone information or on the Internet Web site.
