Esoteric Astrology as news for week July 1 1-17, 2018

Let Isolation Rule, Yet the Crowd Exists

Thursday, a complex day, includes an evening new moon solar eclipse (21 degrees Cancer). Solar (sun) eclipses tell us something essential in our lives has come to an end, it's work complete. Our Earth this month is bathed in the Light of Cancer. It is the "light within form" awaiting the Light of the Soul. The "dark light of matter awaiting the Light from the Soul." Humanity and all Earth's kingdoms live within the "dark light of matter." Our physical bodies are made of this..."intelligent substance, awaiting the Light of the Soul."

The Cherubim are the angels of Cancer. They surround mothers at birth and small children everywhere. At new and full moon times, light from Rays 3 & 5 (two stars from the Big Dipper), the Cherubim and Cancer all stream into the New Group of World Servers who radiate this light to humanity, the Earth & her kingdoms. Two keynotes are sounded. "Let isolation rule, yet the crowd exists." This is the personality building keynote. Eventually without the light of the Soul we can feel imprisoned, unable to connect with anyone or anything. It is at this time when the personality reaches out in despair, asking for help. And this awakens the Soul and the Soul appears, with specific directional, loving light that unifies, illumines

and guides the personality. The Soul tells the personality "I will build a lighted house (within you), and dwell therein." Then the isolation turns to unity.

We become the Light of the world (like the Christ). We are then able to provide unlimited nourishment to all forms & creatures of life. Our tasks in Cancer.

ARIES: Uranus is your awakener. A great shift in perception begins as you seek more freedom of expression. However, first you'll feel you cannot speak your mind. Because a new awakening is occurring internally, in your consciousness. You'll wonder if you must leave all that you love behind. It's a risk to help create a new world. You, however, have the tools and courage. Rest a while so you can hear the call when it comes.

TAURUS: You'll find that events in your surroundings and environments are rushing you forward into the future. You'll also realize certain elements of your life are no longer available. All things from the past either fall away or become useful in creating the future. Calling upon great spiritual resources, you single handedly construct the new curriculum needed for humanity's survival and education. You've been pondering this for years. It's now time.

GEMINI: There may be need at some time for a change in environments, work, friends, groups and your entire social circle. You may require a new life, new

ideas and studies that apply the astrological and esoteric to your daily life. Change will be needed for life to make sense. This will be a new path to be taken, new rules and guidelines. Anything and anyone limiting your steps forward cannot accompany you. Pack lightly.

CANCER: Following orders seems difficult and you will resist anyone with authority. This is good sometimes and not so good other times. You'll learn to discern and discriminate whom to trust. Attempt to observe yourself more directly. Notice how creative you are. People look to you for information continually emerging from your experiments. In the world, you are seen as a bit unusual to radical. Interesting!

LEO: Will you be traveling soon? If so know that interesting and unusual events may occur, you'll encounter new ways of thinking creating expansive, open-minded, utopian thoughts on community. Traditions fall away and gradually, over time you become unconventional, adapting ways of being that comfort you. Education, travel, study, religion, mountaineering, philosophy, politics, justice. Which attract you?

VIRGO: Shared resources, taxes, loans, insurance, and/or values (also shared with another close to you) may tilt sideways and be shaken up in your life. This creates the need to rebalance, choosing your own values and finding your own money to pursue what's most important.

You'll ponder deeply before venturing forth into uncharted territory and unusual relationships. Have fun, though.

LIBRA: Everyone and everything may feel unpredictable. You may change your view of relationships and feel you cannot rely on others for things you hope and expect. There could be a sense of limitation, creating a challenge to break free. You or your partner may become rebellious, act in surprising ways. Sometimes you're on your own. In some ways, yes you are. It redefines you. Reach out. Love more.

SCORPIO: Everything in daily life and work may feel like their being taken apart and shaken up. You feel the need to loosen yourself from previous ways of thinking, beliefs, and relating. You also need to tend to health. The years ahead will be influenced by what you think and do now. Disruptions can be looked upon as reasons to create a new rhythm. Bring forth your deep inventive nature. It will save you.

SAGITTARIUS: Don't be surprised should you experience sudden changes in ideas leading to creativity. Don't be surprised if you're attracted to a totally different type of person, place or way of life. Don't be surprised if you work really hard at loosening any obstructions and inhibitions and they fly away like a flock of blackbirds. You want to become different, become eccentric, playful, more childlike, more romantic. Over time you do.

CAPRICORN: Observe your

home life. Are changes and subtle fluctuations taking place? Perhaps within you? Realize that routines may shift, decision-making becomes deeper and more internal, you don't want anything unusual or hasty to be re-arranged because that would create distractions. You will try new things, create new traditions. But you must also take the time for long restful sleep. It nourishes you so you can nourish others (more).

AQUARIUS: You may find yourself easily wearied and things traditional and/or habitual not useful. You seek new realities, new studies, unusual fields of endeavors and concepts. You're highly creative when speaking and writing. Usual routines begin to break away so a new self-expression can take hold. Visualize all needed changes. This creates outer changes. A new environment, neighborhood expands you. Maintain your freedoms.

PISCES: Convert extra money to silver and/or gold. Invest in land, food and essential things needed that sustain the many. Your values are changing and will continue to change. Income may fluctuate, outlay must be practical. All possessions no longer useful quietly disappear. Do not lament this reality. New, better, greater ones appear. Social life, groups and contacts change, too. It's for the good, the better and the best. Stay poised, patient and cultivate hope, courage, patience and joy. The Disciple's virtues.

CITY OF CHULA VISTA
NOTICE OF INTENT TO ADOPT
A NEGATIVE DECLARATION

NOTICE IS HEREBY GIVEN that the City of
Chula Vista is proposing to adopt a Negative De-
claration (ND) in accordance with the California
Environmental Quality Act for the following
project. The proposed ND can be reviewed on
the World Wide Web at <http://www.chulavistaca.gov/departments/development-services/planning/public-notices/environmental-notices>, at the
Chula Vista Development Services Department,
276 Fourth Avenue, Chula Vista, CA 91910.

Comments on the proposed ND must be sent to
the Development Services Department address
listed above and should reference the project
number and name.

SHINOHARA II REMEDIATION OF BURNSITE
AND RESTORATION PROJECT, IS 17-004.

The project is located on portions of APNs 644-042-
02 and 644-042-10, south of Auto Park Drive, no
street address), Chula Vista, CA. Site is located
along the south bank of the Otay River, east of I-
805, northeast of the Kaiser Permanente hospi-
tal, south of the Chula Vista Auto Park near the
terminus of Brandywine Ave, and just north of an
apartment complex along Dennery Road. The
City of Chula Vista (City) proposes to remediate
and restore two parcels located in the City's Mul-
tiple Species Conservation Program (MSCP) Pre-
serve. This land is then planned to be used as a
part of the Otay Valley Regional Park (OVRP), in-
cluding public trails. The project area totals 5.57
acres. The City owns approximately 1 acre of the
site, and the remainder is owned by the Shino-
hara Family Trust. The site is known to have his-
torically received waste from a burn dump, is re-
corded as a known burn site, and has an active
case (Solid Waste Information System number
37-CR-0075) with the County of San Diego Solid
Waste Local Enforcement Agency (LEA). The
City is undertaking work at the project area to
comply with the cleanup order issued by the
County LEA and to ultimately facilitate the reuse
of the site as part of the OVRP. The remediation
is intended to contain and cap the contaminated
soil. Any exposed material found along the
slopes adjacent to the Otay River will be re-
moved. All contaminated material will be stock-
piled within the upland above the slope terrace
and covered with a minimum 3-foot cap of impor-
ted soil. Riparian/wetland species will be used on
the slopes and coastal sage scrub species will be
placed on the upland portion of the site. Restora-
tion to native plant communities will aid in stabl-
izing the capped material and will provide an ad-
ded benefit of allowing for natural biofiltration as
rainfall flows onto the restored site and flows into
the Otay River. Comments on this proposed ND
must be received no later than August 11, 2018
at 4:00 p.m. (a 30 day public review period). For
additional information, please contact Cheryl
Goddard, Senior Planner, at (619) 476-2329 or
by e-mail at cgoddard@chulavistaca.gov.
