**NOTICE OF
PETITION TO
ADMINISTER
ESTATE OF**

**Azucena Jose Licup
CASE NO. 37-2018-
00032339-PR-PL-CTL**

To all heirs, beneficiaries, creditors, contingent creditors and persons who may otherwise be interested in the will or estate, or both, of: Azucena Jose Licup
A Petition for Probate has been filed by: Joyce Donald in the Superior Court of California, County of San Diego
The Petition for Probate requests that Joyce Donald be appointed as personal representative to administer the estate of the decedent.
The petition requests the decedent's will and codicils, if any, be admitted to probate. The will and any codicils are available for examination in the file kept by the court.
The petition requests authority to administer the estate under the Independent Administration of Estates Act. (This authority will allow the personal representative to take many actions without obtaining court approval. Before taking certain very important actions, however, the personal representative will be required to give notice to interested persons unless they have waived notice or consented to the proposed action.) The independent administration authority will be granted unless an interested person files an objection to the petition and shows good cause why the court should not grant the authority.
A hearing on the petition will be held in this court as follows:
AUG 08 2018
1:30 P.M. Dept. 502
1100 Union St.
San Diego, CA 92101

If you object to the granting of the petition, you should appear at the hearing and state your objections or file written objections with the court before the hearing. Your appearance may be in person or by your attorney.
If you are a creditor or a contingent creditor of the deceased you must file your claim with the court and mail a copy to the personal representative appointed by the court within four months from the date of first issuance of letters as provided in Probate Code section 9100. The time for filing claims will not expire before four months from the hearing date noticed above.
You may examine the file kept by the court. If you are a person interested in the estate, you may file with the court a Request for Special Notice (form DE-154) of the filing of an inventory and appraisal of estate assets or of any petition or account as provided in Probate Code section 1250. A Request for Special Notice form is available from the court clerk.

NOTICE OF AVAILABILITY OF THE DRAFT NEGATIVE DECLARATION FOR THE OTAY WATER DISTRICT VISTA VEREDA AND HIDDEN MESA ROAD WATER LINE REPLACEMENT PROJECT

Notice is hereby given that the Draft Negative Declaration (Draft ND) for the proposed Vista Vereda and Hidden Mesa Road Water Line Replacement Project is available for public review and comment. The Otay Water District (District) is the Lead Agency for this Draft ND. Copies of the Draft ND are available for public review at the Otay Water District, 2554 Sweetwater Springs Blvd., Spring Valley, CA 91978 and on the District's website, www.otaywater.gov at About Us / News and Documents / Publications. Written comments on the Draft ND may be submitted to the District beginning on August 2, 2018 until August 21, 2018 to Lisa.Coburn-Boyd@otaywater.gov or by mail to the following address:

PROJECT DESCRIPTION:

The Vista Vereda and Hidden Mesa Road Water Line Replacement project proposes the replacement of approximately 1,800 linear feet of existing 12-inch water main adjacent to Vista Vereda Road and approximately 3,000 linear feet of an existing 12-inch water main in Hidden Mesa Road in the Hillsdale area of San Diego County. The goals of the replacement project are to maintain the transmission network, provide a distribution service to the Vista Vereda area while simultaneously improving the access and minimizing the risk associated with damage to private properties during routine maintenance, or emergency repairs within the system. The District proposes to transfer the transmission capability of the pipeline that currently exists in Vista Vereda Road to a new 12-inch pipeline in Hidden Mesa Road. A new water line would be constructed in Vista Vereda Road with service laterals to any residential lots that are not adjacent to Vista Vereda. The majority of the Vista Vereda pipeline would be 12 and 8-inch in diameter, but there would also be segments of 4-inch, 2-inch and 1-inch diameter pipe. The 12, 8 and 4-inch pipeline segments would be poly vinyl chloride (PVC) piping and the 2 and 1-inch segments would be copper piping. The existing waterline in Vista Vereda would be abandoned in place. The existing asbestos cement pipeline (ACP) in Hidden Mesa Road would be removed and replaced with a 12-inch PVC pipeline. The proposed water pipelines would be installed by open trench construction. CV63704 8/3/2018
