BE DESCRIPTIVE. List the features of your product or service that make it different from others in the same category. Include price and brand, if applicable.

AVOID ABBREVIATIONS other than standard ones, they can confuse the reader and abbreviate your results.

INCLUDE YOUR PHONE number and the best time to reach you. Make the ad easy to read and respond to in order to get the best results.

The draft 2021-2029 Housing Element will address the needs of all income levels. It will contain an analysis and update of housing and population data based on the most current conditions and sources of information. The revisions will incorporate current population and housing projections based upon SANDAG's Regional Housing Needs Assessment (RHNA) prepared in July 2020 for the sixth cycle planning period of April 15, 2021 – April 15, 2029. The draft Housing Element will call for the continuation of existing policies and programs to enable the City to meet future housing demands for all economic segments of the community that address housing quality and quantity, housing affordability and access, equal housing opportunities and natural resources, energy efficiency and conservation and identifies new programs in conformance with recent housing legislation for implementation during the 2021-2029 Housing Element cycle. The draft Housing Element will not propose any changes to land uses or densities within Chula Vista, nor does it call out or approve any specific development projects.
