ESOTERIC ASTROLOGY AS NEWS
FOR WEEK APRIL 23- 29, 2025

THE BELLS TOLLED IN
ROME - "THE CHAIR IS EMPTY!"

I wrote a different introduction but
when the Pope died, early Easter
Monday, my theme changed. Early
morning Easter Monday, the day after
the Resurrection Festival, after the
Passover celebration ended, at 7:35 am
Roman time, bells tolled the fact all
over Rome that the Pope had died and
"the chair was empty." Many people in
the world went into a deep mourning.

Easter Monday after the
Resurrection is called Monday of the
Angels - the angels proclaiming,
"There is no death, there is only a
passing over" from one dimension
(Earth) into another (Spirit). And that
death is a Great Adventure! The
Catholic Pope, Pope Francis, "passed
from this world to the next world, the
world of Spirit, going home again to
the Father."

And so, a great event - the Pope
(three progressed planets in Pisces) has
died. And a great ending of the 2,500-
year Pisces cycle (Age) begins. Easter
Monday after the Resurrection is a
perfect day to die. A perfect day to
reinforce the Resurrection teachings
that there is no death, there is only a
change of elements, a change of
location, a lifting up of the Soul into
the heavens, into the realm of the
Father's House, a "passing over" - from
Earth to heaven.

And so, Pope Francis is home again.
And so the bells tolled that day in
Rome. And the people mourned.

And for nine days (Initiation) there is
a time of mourning and reflection. The
Cardinals (200 of them under age 80)
have been called to the Vatican to
enter into a "conclave" - gathering to
make major decisions. And this last, the
"conclave, is most interesting. There are
two conclaves happening
simultaneously this year:

- 1. Vatican Conclave to elect a new
Catholic Pope.
2. At Wesak, Buddha Taurus festival

(full moon, May 12), the 100-year-old
Hierarchical (inner world government)
Conclave begins, preparing for the
Aquarian World Teacher's appearance.
There are no mistakes or coincidences.
The year 2025 is the pivotal year of
transformation and change for
humanity.

In the Wisdom Teachings we read
that as the Reappearance happens, the
Master Jesus, from the Chair of the
Pope in Rome, will also appear to
assume leadership of and to re-inspire,
reorganize, revitalize and re-spiritualize
the Catholic/Christian Church. So, let's
listen and observe what else of
significance occurs in the days and
weeks ahead.

"The stars in the heavens proclaim it!"
ARIES: You are developing a greater
awareness of self as you continue to
experience personal, political, inner/
outer change. New ideas and
revelations appear, coloring your
experiences. A sense that a fire burns
within, like a heart wanting to give
warmth to the world. You feel bright
and brilliant. You are. You're responsible
for providing this fire and ideas to the
world waiting for inspiration. For truth,
too. Are you ready?

TAURUS: Most likely you're not
going too many places these days. It's
possible your vehicle(s) is/are in need
of something - a tune up, a checkup,
air conditions, perhaps experiencing
breakdowns, battery failure, or flat tires
so you can't go too far. A state of
contemplativeness has entered your
life and all you can accomplish is
gardening, slow walks, reflection and
hiding from events, phones and
people. You're a leader whether this is
acknowledged or not. You're in
preparation for later use in the world.

GEMINI: Deeper revelations of
divinity are occurring, in day dreams or

possibly in sleep, and definitely they
are about serving the world. Here is a
mantram of intentions to recite each
morning in meditation. Visualize
yourself as part of the New Group of
World Servers, reciting this daily. "I
assume a new and fresh attitude of
community and hold it during the
hours of service which lie ahead each
day. I guard with care all thoughts and
speech. I call for those I will work with
to stand with me and help build the
new culture and civilization." There's
more. When you ask for more.

CANCER: Slowly you are building a
reputation and gaining strength,
courage, self-recognition and
achievements as you carefully turn
around and re-enter the world. So
often you're hidden under a protective
shell for safety and shelter. Trust of
others can be difficult. Often you're
working toward goals we don't see or
understand - not until you share and
offer them as nurturance, a
nourishment that serves others. You're
ambitious but no one can tell. You're a
leader. And you hide this, too. We miss
you often.

LEO: Restlessness often overtakes
the fiery heart of Leos. They have
ambitions that are hidden, hopes for
recognition they hide too. Leos are
leaders and warriors but only after
great training. You need a change of
environment, of scenery, perhaps a
change in friendships. You also need to
communicate what you've learned to
those with curiosity and the ability to
understand more expansive heart-
centered ideas. In our daily morning
meditations we thank our Teachers -
past, present and those to come. You
are a teacher in training.

VIRGO: You're focused on the
horizon with multiple goals. You have
big ideas, as high as the mountaintop

under which the coming Wesak festival
takes place. You're proud of what you
know. When using your knowledge
with humility, goodwill, right relations
and right attitude, others learn from
you. In turn you must want to learn,
too. The information harbored in your
lower mind must be turned into true
knowledge, your love into wisdom.
How, you ask?

LIBRA: There's a sense you must
enter just a bit deeper into life, perhaps
by contemplating life changes,
including the fact of death and dying -
dying and regenerating like a phoenix
in your most intimate relationships.
Yours is the Path of the Harmonizer,
going into battle with desires and
aspiration, seeking the virtuous way,
increasing the demand for change,
compelling others to change also.
Through harmony, which is a paradox.
For rebirth to occur, something from
the past must be relinquished. It's a
hurt you hold. It can be let go now.
Forgiveness helps.

SCORPIO: As we grow older, our
true self emerges. This is the Soul part
of ourselves, a five-pointed star above
our heads, always gazing at our
personality selves, waiting waiting
waiting. I remember my art teacher
telling me, a young art student, "As we
age we become more of our rising
sign." I didn't understand her. But I do
now. The inner essence of our rising
sign shows us our Soul's purpose and
as we grow in age and experience, our
Soul comes forth to direct our
personality. This becomes our
foundation. We become a soul-infused
personality!

SAGITTARIUS: You're proud of your
family, history, lineage, heritage, your
religion and early education. These
constitute your hidden and private life.
You are careful with your privacy. Only

RISA'S STARS

those you trust may enter and know
the true you. Only those you trust can
come close. There are people in your
life who learn to be trustworthy from
you. They sense trust is something
based on truth, ethics, understanding
and knowing you will work for the
good of both self and others. Are you
trustworthy?

CAPRICORN: Be very careful with
thoughts, communication and actions.
Don't go too fast. You will miss
something. Communication can be
difficult and misunderstandings occur -
Neptune in Aries is calling you to refine
your communication. To not leave
anyone out. Begin each day with
intentions to think and speak with a
loving heart. This cultivates a joy that
brings strength, courage, revelations
and great creative ability. For
gardening follow the biodynamic
planting guide. Plant borage,
bergamot, edible flowers and a fig tree.

AQUARIUS: You feel restless
perhaps. More than ready to make
changes in your home and the way you
live and work. You sense a deep need
for independence. This is how you
must move about in your world. It's
important to be flexible, adaptable and
to have mental agility allowing you to
communicate clearly to everyone who
comes your way. New values, a shift in
resources and a deep need for nesting
appears. Pray to the devas for what you
need. And determine, in advance, how
you will participate in holidays with
others.

PISCES: As a child, as a Pisces, living
underwaters, not understanding form
and matter, it was difficult to
experience, know, create or even
understand solid secure foundations.
As an adult, and still a Pisces, a secure
foundation is most necessary. However,
it's difficult often for Pisces to build it.
Begin by identifying what you value,
what you love and need and what is
beauty to you in terms of a home, land,
village. Gradually over time, you have
psychologically become the solid and
secure foundation you always sought.
Summon daily what you need. Make
ready as it will appear!
